Instructions for the Purchasing of Membership and Training Sessions

Introduction

- Gosport BMX Club uses an online membership/booking system.
- All visitors and members to the Club must pre-book using the system, including new riders.
- Each session will close to bookings as it starts, so you can't book in once a session has started. They are available to book two weeks prior.
- All bookings require an account to be set up. This is to be set up by an adult, who will then set up individual riders within that account.
- This account will securely record emergency contacts, permissions and medical considerations for all riders.
- If new riders are unable book onto the free taster session, please book on the beginner session and contact us through clubsecretary@gosportbmx.co.uk for a refund.
